

## ~ Updated Protocols ~

### Group Activities

- All CE groups will include 10 people or less including staff.
- Each group will function as a household and will remain separate from other groups.
- Activities within groups will keep children 6 feet apart from each other as much as possible.
- Equipment will be assigned to one participant whenever possible. When this is not possible, for example with mobility devices, equipment will be cleaned and sanitized between users.
- Activities will be conducted outside whenever possible, weather permitting.
- Participants will remain on site and no field trips will be planned for this summer session.

### Eating at the Center

- All staff and participants will adhere to proper hygiene practices during food prep and feeding activities
- CE participants bring their own meals or snacks from home in single use disposable containers, ready to eat.  
\*\*No food will be refrigerated or re-heated  
\*\*Participants will utilize Center provided utensils which will be sanitized between uses.
