

# Current Activities

---

# Europe is calling!

- ECA becomes more professional, grows steadily with new member organizations
- Strategical dialogue and planning
- Meeting with politicians within the EU
- Partnership with ConductMe
- Newsletter
- Networking between members and non-members
- Marketing for CE in Europe
- Awareness letter following conductor shortage world-wide; letter template can be used for members/partners in each country to raise awareness at governments and universities.
- New idea: EU partnership program possibility is being investigated - **Erasmus+ Alliances for Innovations** contact: [eszter@movewalk.se](mailto:eszter@movewalk.se)
