

# Are you an advocate of **CONDUCTIVE EDUCATION?**

## **We seek volunteers to join the ECA board!**

Whether parent, professional, people with lived experience ..., we seek people from various countries who would like to work with us on our political goals:

Conductive Education needs to become internationally legally accepted as rehabilitation pedagogy.

---

Please apply until **31st October 2024** with a short description of yourself under: [info@european-conductive-association.org](mailto:info@european-conductive-association.org). The General Assembly with elections will take place on 28th November 2024, in Budapest at the Petö Institut (hybrid format).
